New Harbor, Maine

For some reason, the element of fog popped into mind and there is no fog like Maine fog. These shots of New Harbor were taken when the blanket hung thick over the harbor softening all detail and obscuring all but the very closest objects. New Harbor is a marvelous vantage point for photos because it is a natural fissure into the Maine coast dividing the granite cliffs with a most protected anchorage that is filled with the graceful work boats of the lobstermen. Look at the duck-like lines

New Harbor with the fog burned away

of these boats. They would ride steady and staunch in the kind of blow that can lash this coast without warning. In this harbor the steep walls of stone with its narrow opening soften all gales just as the fog softens the detail in quiet times. These are the kind of craft that made the work of Enoch Winslow famous on the east coast. It may even be that many of these Mattapoisett built sport fisherman are still at work along the coast of Maine and north in Nova Scotia. It is a fact that a well built machine can be a work of art and be one with the element of nature.

Donations Sought for Concerts

MATTAPOISETT SELECTMEN'S MEETING
MARCH 3, 1992 by BRIAN KEENE

Chairman John DeCosta closed Tuesday night's meeting of the board by saying that it's quite possible the town will be unable to pay for this summer's band concerts, and that he is seeking donations and volunteers to help the traditional program keep going. Mr. DeCosta said that he already has four people who are willing to help him raise a targeted goal of $5,000. This money will be used to pay the musicians and also pay the conductor of the Town Band.

Selectmen feel that it is unlikely that voters in Mattapoisett would approve an override that would allow the town to continue to fund the band concerts. Voters rejected the override that would have paid for an attendant at the town beach last summer, which will also have no money this year. The amount needed to pay the attendant would have been $1,884.

Anyone wishing to donate money or volunteer their services to help with the fundraising should call John DeCosta at the the selectmen's office.

In other business, selectmen:

MET WITH John DeRugeris from Coastline Engineering to discuss the repair work going on at Middle Wharf. Mr. DeRugeris told the board that the hardest part of the job was

Your Key to a Lower Cost Mortgage

The unique NBIS FAST-PAY Mortgage can help you build equity in your home faster, save you thousands of dollars in interest, and let you pay off your mortgage years sooner.

If you think that all mortgages are pretty much alike... you should really learn more about the unique FAST-PAY Mortgage from NBIS. With FAST-PAY you can save thousands of dollars in interest and help build equity in your home a lot faster, at virtually the same monthly cost!

Here's how. Instead of making one monthly payment 12 times a year, you make half your monthly payment every two weeks... or 26 times a year. That extra payment each year really adds up. It actually reduces the principal faster... saving you thousands of dollars in interest, not to mention years of mortgage payments.

A big advantage of FAST-PAY is that your mortgage payments are made automatically through your NBIS Now Account. This means you'll never have to remember to write your check every two weeks. NBIS does it for you... all you have to do is to maintain the balance in your account.

So... before you make a mortgage move, find out about the NBIS FAST-PAY Mortgage — it's your key to a lower mortgage cost.

Heard Last Week...

"Isn't your anniversary soon?"

It sure is! On March 9th we were 13 years old - and what a lucky 13 it will be. We'll be celebrating for 13 days, beginning March 9th and ending March 21 with our sponsorship of Hugh Masekela at the Zeiterion Theater (good seats still available!)

Watch for our celebration days, including give aways and dinner specials.

In February the following expenditures were approved: a new podium for Center School (constructed by the students at Old Colony), a new amplifier for the Old Hammondtown band, funds for buses to transport the OHS band to the University of New Hampshire Jazz Festival, the Mass. Music Ecucation Association trip (Waltham), the Mass. Instrumental Conductors' Association (Norwood), and the International Association of Jazz Educators, and S.O.S. fund for individual teachers' needs.

As you can see much is accomplished during one P.T.A. meeting. However, we need more support and input from you. Please join us at the next P.T.A. meeting on March 11th at 6:30 p.m. at Center School. We need your help and ideas.

Old Fall River Steamship Line

TOPIC OF LECTURE

John Gosson, Curator of the Marine Museum at Fall River, will be the featured speaker at the Sippican Historical Society lecture to be held Tuesday, March 17th, at 7:30 p.m. at St. Gabriel's Parish Hall in Marion.

The Fall River line of luxury steamships traveled from New York to Fall River during the years 1847 through 1937. The splendor of ships like the Priscilla, Puritan, Providence and Plymouth earned them the nickname "floating palaces". Mr. Gosson oversees the museum which houses memorabilia that ranges from the Priscilla's grand chandelier to a steam whistle, China, velvet upholstered chairs and uniforms of her captain and first mate.

The lecture will encompass the history and style or old-time steamship travel on the Fall River Line. Admission is free and the public is encouraged to attend.

What does faith mean to you? What's the difference between faith and belief? Why does having faith matter? Everyone is invited to attend as a listener or discussion participant.

Discussions will be open to the ideas and experiences of those present but a clergy hotline will be available to help with information requested. Health Care Decisions

The public is invited to attend a presentation by an organization known as Massachusetts Health Decisions. Their purpose is to help people consider what they want to and can do should they or a loved one face a crisis in a hospital. At what point will we be able to stop any heroic measures? How can we give instructions to our doctor or hospital before there is a crisis?

A talk and video presentation will be held March 15th at 2:00 p.m. in Reynard Hall of the Mattapoisett Congregational Church. The program will be presented by Rev. Paul Burditt and his wife Polly. Both are volunteers in working as "Facilitators for Massachusetts Health Decisions".

Medication in Schools

FROM ORR SCHOOL DISTRICT ADMINISTRATION OF MEDICATIONS

The Old Rochester Regional, Marion, Mattapoisett and Rochester Public Schools have changed their procedure for the administration of non-prescription medications in school. This change was made as a result of a recent determination by the Massachusetts Board of Registration in Nursing.

Henceforth, medications, both prescription and non-prescription (over-the-counter), will be administered only in school with a signed order from a physician, dentist, nurse practitioner or physician's assistant.

Area physicians have been notified of the change, and a letter will go home to all parents from school on March 16th. The school has developed a form for this purpose, although signed, written orders from the ap-

Tri-Town AARP will hold its meeting on March 24th at 1 p.m. at the Rochester Town Hall. Our guest speaker will be Mr. James O'Neil of Middleboro. Mr. O'Neill will speak about Linens & Quilted pieces which date back to 1860-1930, a program which will be of great interest to all. Everyone is invited. Refreshments will be in charge of Alice Reed.

SHARE - Mattapoisett

The next food pick-up will be Saturday, March 28th. Please come at your assigned time. Be prepared to pay by cash or food stamps. It is helpful to bring bags and boxes.

The number of participants is growing and we will need more volunteers. Since the Salvation Army has consented to our use of their parking lot (Route 6, next to the Sea Horse) we would like to ask physically able people and volunteers to use that parking lot. That way the limited parking spaces at the Sea Horse will be available for the handicapped and the elderly.

Friends of the Elderly is proud to sponsor SHARE, which is located on the corner of Route 6 and North Street (Sea Horse) in Mattapoisett. For further information you may contact Chairperson Vivianne Surprenant at 758-6451.

Tri-County Symphonic Band

LAST CONCERT OF 30th SEASON

The Tri-County Symphonic Band will present the last concert of its 30th season at 8 p.m. on Saturday, March 21st, in the Dartmouth High School Auditorium.

This will be a combined concert with the Rhode Island Wind Ensemble under the direction of Frank Marinaccio and the Tri-County Symphonic Band under the direction of George A. Dietzler. The two groups comprise a total of 80 musicians. The narrator will be Phil Paleologos.

Mr. Dietzler is responsible for planning this combined concert as a tribute to Patrick Sarsfield Gilmore who is considered to be "America's First Band Master". The composer of "Johnny Comes Marching Home", Mr. Gilmore planned The National Peace Jubilee which was held in Boston on June 15, 1869, to celebrate the end to the Civil War. This was performed by an orchestra of 1,000 and a chorus of 10,000. It was such an immense success that there followed a World Peace Jubilee of 1872 which extended for eighteen days and comprised bands from England, France, Germany and Dublin, and even Johann Strauss, Jr. He died on September 24, 1892 in St. Louis on the eve of another of the gigantic festivals that he was noted for.

The Tri-County Symphonic Band, in the second part of the program, will perform "Selections from Les Miserables" and the "Jack Tar March" by America's "March King", John Philip Sousa.

The highlight of the program will be the performance of five selections by the combined bands. The opening number, "The Vanished Army", by Kenneth J. Alford, will be dedicated to the memory of A. Barton Cummins, who served on the board of directors of the Tri-County Symphonic Band for many years.

This will be followed by "Hut of the Baba of the Baba Yaga" and "The Great Gate at Kiev", which are the last two of a set of numbers entitled "Pictures at an Exhibition", which were written by Modeste Moussorgsky in memory of his intimate friend, architect Victor Hartmann, following the posthumous exhibition of his drawings and watercolors af the Academy of Fine Arts in St. Petersburg in 1874.

Following the "Thunder and Lightning Polka" by Johann Strauss, Jr., and "Jubilate" by James Curnow, the program will conclude with a rendition by the combined bands of "The Chorus of Janizzaries" from Mozart's opera, "Abduction from the Seraglio". This is the final chorus of the opera in which the Janizzaries (soldiers) join the full cast in a rousing chorus to sing the

born in the year 1986 is eligible for enrollment in Grade One. The age requirement for Kindergarten entrance, set by the School Committee policy, is that each child must be five years old by December 31st of the year in which the child is enrolled in school. Parents should bring a birth certificate or a notarized memorandum of birth with them on registration day. A doctor's memorandum showing the following immunization and a lead screening blood test is required for school entrance:

1. DPT
2. Oral Sabin
3. Measles
4. Rubella (German Measles)
5. Mumps
6. Lead Screening

If the required immunizations or blood work for lead screening are incomplete for medical and/or religious reasons, a statement from a doctor or church official stating the reasons for exemption should be presented at the time of registration.

We additionally would request that if you have an outstanding court order or decree regarding the legal custody of your child, that you furnish us with a copy of this at registration time. This is necessary in order to assist us in the release of educational records and information, as well as the dismissal of children to the parent/adult.

Information about Kindergarten screening, which will be held during the first week of school in September, and an Orientation Meeting for Kindergarten parents will be available at registration. A separate vision and hearing screening will be held for all entering Kindergarteners on Tuesday, April 7th, from 8:45 a.m. to 12:30 p.m. and from 1:00 to 2:45 p.m. No appointments are necessary

Eighth Evening of Jazz

COMING TO ZEITERION

South Africa's Musical Freedom Fighter and Trumpeter Hugh Masekela will perform at New Bedford's Zeiterion Theatre on Saturday, March 21st, at 8:00 p.m. for an Evening of Jazz, sponsored by Freestone's Restaurant & Bar.

Masekela's performance is the eighth Evening of Jazz sponsored by Freestone's. Over the past eight years Freestone's has presented jazz legends Dizzy Gillespie, The Preservation Hall Jazz Band, Dave Brubeck, Chuck Mangione and Wynton and Branford Marsalis.

For the past three decades Hugh Masekela, the trumpeter, composer, bandleader and musical freedom fighter, has been at the forefront of the international music scene with his list of accomplishments - co-writer/composer of the successful Broadway musical "Sarafina" (This inspirational musical about South Africa was seen by a sold out audience at the Zeiterion last season), touring with his own group, Kalahari, and worldwide performances with Paul Simon's Graceland tour. He credits the Graceland tour with the rediscovered popularity of his country's music during the late 80s. "South African music can be found in early rock and roll like in 'The Lion Sleeps Tonight', and Graceland brought it back to the world in a heavy way, enhancing what was already there", he said.

Born in Witbank, South Africa, a coal-mining community near Johannesburg, Masekela's musical interests were ignited by his parents' love of music, and the turning point came when he saw the film "Young Man with a Horn" which chronicled

Bix Beiderbecke's struggle for fame and fortune. By age 20 his career as a trumpeter was in full swing as a member of the Jazz Empire, the first black jazz band to record an LP in South Africa. After studying at London's Guildhall School of Music and later on scholarship at the Manhattan School of Music in the 90s, he toured and performed with Harry Belafonte and Dizzy Gillespie.

In the 70s, after his huge hit, "Grazing in the Grass", which showcased his singular trumpet stylings to the world; Masekela made a "pilgrimage of music", performing throughout Africa. In the 80s he founded the Botswana International School of Music.

Tickets for Hugh Masekela are $19.00, $23.00 and $27.00; senior/student $2. discount; group rates available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster outlets, or by calling Ticketmaster at (617) 931-2000.

The Zeiterion is funded in part by the Massachusetts Cultural Council, a state agency, and with funds from the Council administered by the Arts Lottery Councils of Acushnet, Freetown, Mattapoisett, New Bedford, Rochester and Wareham, the City of New Bedford, the New England Foundation for the Arts, and the National Endowment for the Arts.

STUDENTS LEARN ABOUT RECYCLING

Mrs. Marilyn Flood, a member of the Mattapoisett Recycling Committee, was invited to the fourth grade classes at Old Hammondtown School to teach the students how to recycle. She told the students that Mr. Normandin is in charge of recycling at our sanitary landfill. He does a great job sorting our recycled trash to prevent the recycle bins from becoming contaminated.

Mrs. Flood says it pays to recycle because people have to pay to dump trash at the landfill, but recycling is free and it saves our landfill. Leaves can be brought to the compost area free of charge also.

Mrs. Flood brought examples of materials that may be recycled: green, brown, blue and clear glass, plastics, aluminum, tin and steel cans. She showed the students how each item must be cleaned. You may leave paper labels on glass, but you must remove styrofoam labels. Colored glass go into separate bins. Number 1 plastic doesn't have to have the paper removed, but the rings must be taken off the bottle necks. Milk cartons should be crushed. Number 2 plastic detergent bottles may keep the caps on.

Students asked her how she recycles in her home. She keeps four brown bags in her back hall for cleaned, recycled materials. When they are full, she takes them to the town sanitary landfill.

The trash that is recycled is being turned into new products like park benches.

All the trash we recycled saves our sanitary landfill. Mattapoisett must reduce, reuse and recycle. Fourth grade encourages all citizens to begin to recycle today.

Barnum Coming to Zeiterion

New Bedford's Zeiterion Theatre presents the national tour of the Tony award-winning Broadway musical "BARNUM" on Thursday, March 19th, at 8:00 p.m. This three-ring circus musical is based on the life of P.T. Barnum, and stars local native, David Mendes, in the leading role.

The musical has been touring to rave reviews - The New York Times said "Barnum is pure, exhilarating fun! Composer Cy Coleman is in top form. Barnum simply bursts with melodies - ballads, marches, ragtime strut numbers and burlesque turns - orchestrated to raise the rafters!" Time Magazine exclaimed, "Circus hoopla makes the evening spin. There are juggling acts, clown acts, acrobats, tumblers and a marching band that goes swirling into the aisles."

"Barnum's the name. P.T. Barnum. And I want to tell you that tonight you are going to see - bar none - every sight, wonder and miracle that name stands for!" So Phineas Taylor Barnum announced as he raises the curtain on "Barnum", the show that traces the career of America's greatest showman from 1835 to the year he joined with James A. Bailey to form The Greatest Show on Earth.

David Mendes, who plays the starring role of P.T. Barnum, grew up in Fall River and graduated from Bishop Stang High School in Dartmouth. His family presently resides in Westport. David has toured throughout the United States and starred in many national productions including "Tintypes", "Identity Crisis", "The Nature and Purpose of the Universe", and "Les Liaisons Dangereuses".

"Barnum" composer Cy Coleman is no stranger to catchy show tunes. On his list of famous songs are such notables as "If My Friends Could See Me Now", "Big Spender" and "Hey, Look Me Over". He won a Tony for "On the Twentieth Century", three Emmys for his television specials with Shirley MacLaine, and an Oscar nomination for his

Dear Friend, I am writing to you to inform you that my name will appear on the election ballot for the position of BOARD OF HEALTH for the upcoming town election, TUESDAY, APRIL 7, 1992. Your supportive vote would be greatly appreciated. If you are not registered to vote, please do so! Knowing that the best form of any efforts for exposure are through "word of mouth", I am asking you to inform all of your friends and relatives who are registered voters in the town of Mattapoisett of my nomination. They are welcome to call upon me at any time to meet with me. I am listed in Directory Assistance as well. Again, your supportive vote for me, DR. DAVID ROBINSON for the BOARD OF HEALTH on TUESDAY, APRIL 7th, would be greatly appreciated.

Thank you for your time and consideration.

Native American Workshop

Many years ago settlers arrived in the western world and encountered an indigenous people living in the "New World". Wrongly named "Indians" because Christopher Columbus thought he had landed in India, these Native Americans would learn to overcome the hardships placed upon them by settlers including the infringement of land and resources, hostility, and diseases brought by settlers causing much death among tribes. Through the years Native Americans have had to deal with many changes while trying to keep their heritage intact. On March 21st Chief White Wolf of the Dighton Oak Intertribal Council and Chippewa Tribe will be teaching a workshop at the Lloyd Center from 9:00 a.m. to 4:00 p.m. This workshop will focus on the culture of Native Americans and the impact that settlement had on the local tribes. Chief White Wolf will also explain the evolvement of Native Americans through history as well as the history of Native Americans in this area.

The fee for this workshop is $15. for Lloyd Center members and $20. for non-members. A portion of the proceeds will

VA INCREASES MAXIMUM
INTEREST RATES ON HOME LOANS

The Department of Veterans Affairs (VA) has announced it has increased its maximum home loan interest rate from 8 percent to 8.5 percent, effective February 24th.

This change reflects the Department's response to recent changes in the credit markets and will continue to assure the availability of funds to veterans.

The last change occurred December 20, 1991, when the rate was lowered from 8.5 percent to 8 percent -- the lowest the VA rate had been in 14 years.

Also effective February 24th, VA will increase by one-half percentage point the maximum rates for graduated payment mortgages to 8.75 percent, home improvement loans to 10 percent, manufactured home loans to 11 percent, manufactured home lot-only loans to 10.5 percent, and manufactured home and lot loans to 10.5 percent. In Fiscal Year 1991 VA guaranteed more than

Dear Mattapoisett Voters: I know most of you know who I am from seeing me around Town, at Town Meeting, checking out the Town Dock and especially at Town Hall. I am running again for another 3 years on the Board of Health.

I am looking forward to another term as there are so many items on our agenda that need the expertise of a veteran member like:

(1) Seeing that the homes are rebuilt and repaired in our beach communities with the proper safeguards to protect the environment.
(2) The maintaining and capping of our present landfill and the ever important opening of the second half of the landfill for the future needs of the Town.
(3) Expanding our sewer system now that we have the added capacity of the Fairhaven plant, and
(4) Maintaining and protecting the Town of Mattapoisett as it should be by having lived here for 30 years, knowing and loving the community, and participating in as many Town functions and committees as possible.

At the present time the Town of Mattapoisett cannot afford to lose the dedication and expertise that you know I possess - so please on Tuesday, April 7, 1992 vote for Daniel C. Lee, Jr. for the same consistent, uncontroversial, hard working member of the Board of Health that you are familiar with and deserve. This type of commitment you have received for the past 18 years I have been a member.

I have always been available, as all of you know, whether by telephone, stopping by my home or talking with me any time you see me, and I will continue to do so.

Thanks in advance for keeping the continuity going on our very fair, dependable and hard working Mattapoisett Board of Health. Sincerely, Daniel C. Lee, Jr.

APPLICATIONS BEING ACCEPTED

Applications are still being accepted for the September 1992 freshman class at Old Colony Regional Vocational-Technical High School.

Any eighth grade students whose parents are legal residents of Acushnet, Carver, Lakeville, Mattapoisett or Rochester are eligible to apply. Eighth graders from Freetown are also accepted on a space available basis. Application forms are available in the guidance offices of area middle and junior high schools or directly from Old Colony.

Old Colony offers not only a high school diploma but also vocational certificates in Culinary Arts, Drafting, Data Processing, Cosmetology, Health Careers, Machine and Tool Technology, Welding, Automotive, Electronics, Carpentry, Electrical, and Offset Printing. Freshmen students participate in an eight week exploratory program beginning in September.

Anyone desiring further information is urged to contact Richard Mitchell at Old Colony by calling 763-8011, Ext. 29.

OLD COLONY ON VIDEO

Old Colony Regional Vocational-Technical High School has its own school video available for community use.

The eight minute video provides the viewer with an overview of the vocational-technical facility. The video is used by the guidance department when presentations are made to community groups or interested eighth grade applicants. It highlights the varied vocational offerings, the academic program, and the extracurricular activities. According to Paula Simmons of Old Colony's Guidance Department, "It stimulates questions and provides a synopsis of what we are all about."

Copies of the videotape are available in the local middle and junior highs and may be taken home by students or parents. Copies are also available at Old Colony. To find out more information about the video or to

Pre-oiled leathers are used in most of the Pro Series gloves. Premium grain U.S. steerhides are pre-oiled to make the leather more supple and to minimize "break in" time. Pre-oiling maximizes durability and gives a rich lustre to the leather.

More and more, SSK has become the equipment of choice of major league ball players. From the hot new rookies to the established superstars, they all agree on one simple fact. SSK delivers.

It's not difficult to see why SSK is the fastest growing brand of baseball and softball equipment in America.
